## Four (4) Great Chairs @ One Everyday Low Price.

Our exciting “New Era” Seating Line has the features and value you’re looking for. Choose the Legends, MVP-Extreme, or new Babe mesh back ergonomic chair.

Or if you are a First Responder, Fire - Police 911, dispatch center, or any such 24/7 user; then the BrickYard-911 is a grand slam for your seating needs.

These ergonomic chairs feature a contemporary, easy to adjust design, a high-performance functional control and most of all COMFORT! Everything you want and always at a price you can afford.

The best news is Go-Green with a totally new concept. **Recycle and/or Refurbishment**  
A new program direct from us, the manufacture. **HOW IT WORKS**

 <p>Total Purchase Price \$ ???</p> <p>1/3 Back .. \$ .. includes fabric too 1/3 Seat .. \$ .. includes fabric too 1/3 Control/Arms/Base/Casters \$\$</p> <p>includes - all shipping and handling return shipping included*</p>	<p>We'll replace and refurbish any of the chair parts using the following formula. This includes all shipping and your seat or chair back will have new foam and upholstery as per your original order.</p> <p>Simply take the total cost of the chair, including all options, upholstery, S&amp;H; then divide it (the total \$) by 1/3<sup>rd</sup>.</p> <p>Example \$600 total cost ... Then \$200 gets you a brand new seat !</p>

Now that's the down to business attitude emphasis in Champion's “New Era” seating designs.

## What's in your wallet?

Or should we say “What’s not in your wallet?” As the adage goes: *it is more what it costs to own, rather than what is the cost to buy.* At Champion Seating, we've taken that into consideration, and have all the answers to the puzzle, now and in the future. Happy and Healthy sitting for the .....  
.....Champions in the workplace.
